What to Expect...

- Prepare to be amazed!
- Learning
- Networking
- Entertainment
- Enjoy the lunches!

The Tennessee Safety and Health Conference

Our Mission

To provide the widest variety of Workplace Safety & Health Education possible at a reasonable cost

Our Purpose

- “To bring together persons engaged in safety and health to discuss topics of mutual concern that affect working men and women.”
- “To develop and formalize a unified force of safety and health persons, composed of government, labor and management, which will work together in support of long-range programs affecting the safety and health of workers on and off the job.”

Our Purpose

- “To establish a spirit of fraternalism among safety and health persons in order to further disseminate information and educational techniques relative to safety and health.”
- “To enlist and develop the cooperation of and coordination among all public and private safety and health organizations in order to further encourage and promote methods and procedures leading to increased worker safety and health.”

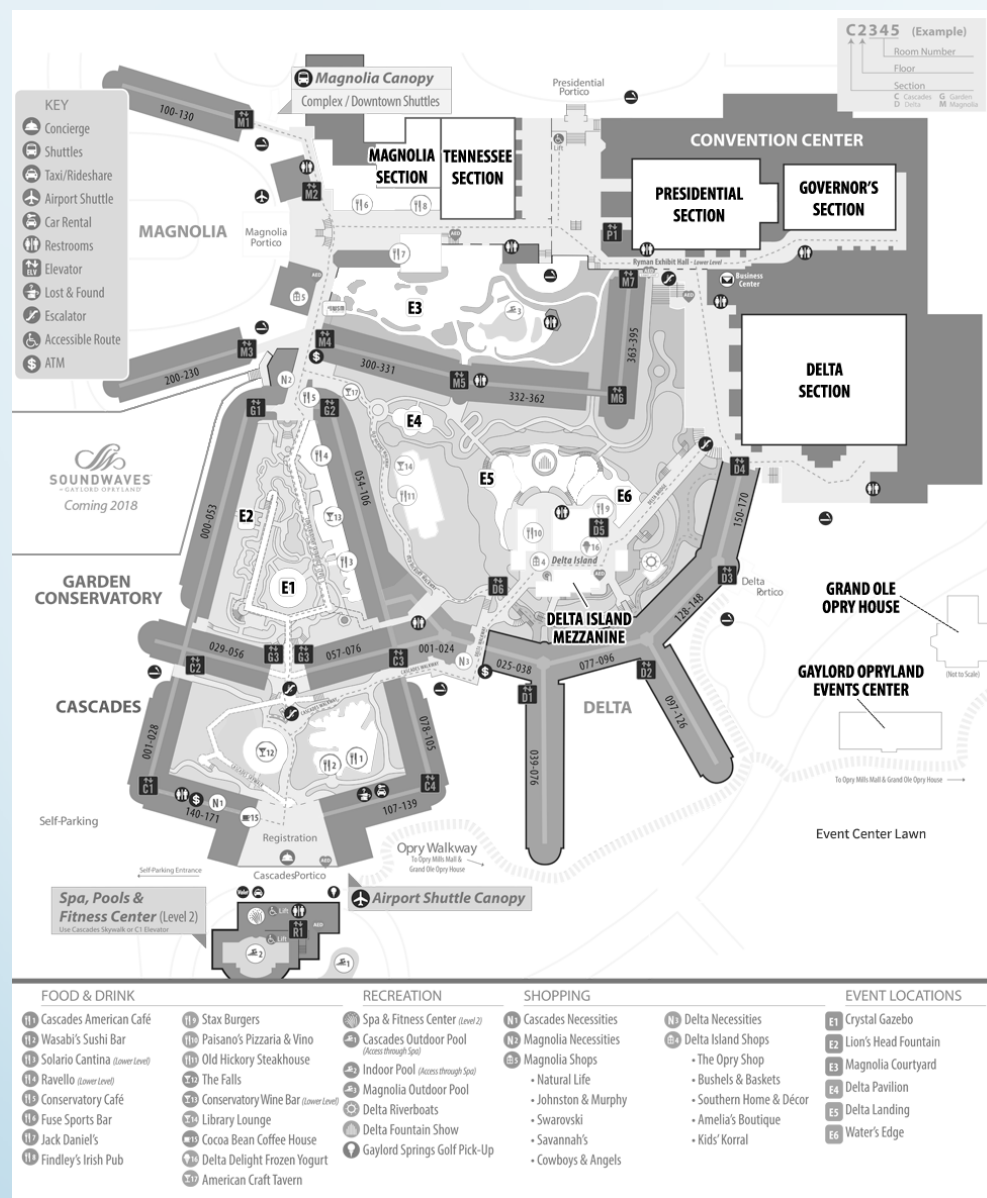

The Tennessee Safety and Health Conference

- www.tnsafetycongress.org
- TSHC can be found on Facebook, LinkedIn, Twitter and Guidebook

Getting Around..

- Due to the size of Opryland, getting around and to the right spot can seem overwhelming
- Start early for your destination
- Wear comfortable shoes!

[Download the app!](#)

[Navigate Gaylord Hotels](#)

[IOS and Android](#)

- Conference session rooms are in the Ryman Studios and some including the OSHA 10-hr are on the mezzanine level of the Delta Conservatory
- Exhibit Hall is found behind Registration: Ryman B4-B6
- Board members are wearing red shirts; please ask them for directions or about any issue; we are here to assist and facilitate....

your app store.

Session Tips...

- Conference is 2.5 days
- Session length is about 50 minutes
- Guidebook App
- Plan ahead- which workshops you will attend and make note of locations throughout the day.....
- Arrive to sessions early

Session Tips...

- Break near the session you want to attend to ensure you get a great seat
- Introduce yourself to the speakers after they set up their presentation
- Look for session topics relevant to their jobs and experience levels
- Don't be afraid of attending more advanced topics

Network

- Each year 1/3 are new attendees !
- Networking is the very best way to meet people that do what you do.
- Make lots of new acquaintances. We all are having similar issues and may have conquered some of yours!
- Engage the TOSHA Staff; there is no better time to meet your Compliance Officer – and in this lovely setting!

Network

- If you have business cards bring them or consider electronic “Share Contact” or photo of business card – LinkedIn
- Sit with people you don’t know at lunch. If in a session prior to lunch ask folks nearby if they want to sit together during the meal to discuss the session, their jobs, etc.
- The best opportunities to network: before a session, lunch time, and the exhibit hall.

Exhibit Hall

- Visit often
 - Desserts 12:15 both days
- Great place to network
- See the latest / newest safety gear
- Take vendor information back to the office or site. You will learn so much you can be become overwhelmed and forget you wanted to pass along or order a sample

Get Involved

- Join professional associations – ASSP and TN Chamber are joint sponsors
- Consider mentoring
- Be a speaker
- Call for Presenters for 2024

Have Fun

- Kahoot! Expect to enjoy yourself, network and there are drawings and PRIZES
- Be sure to download the Kahoot! app and make sure phone is charged

Feedback

- Critique sheets and evaluation sheets
- Provide honest feedback
- Complete evaluations at the completion of each session on the Guidebook app
- Answers are compiled
- Board members review each comment and every year we make changes as direct result of comments and suggestions

Questions?

- Red shirts!
- Get Lost find red shirts and work back to your home base-----
- Registration Desk outside Exhibit Hall
